

## Covid-19 Precautions

To protect shoppers and our volunteers, we will only admit a maximum of 50 customers (20% of the building capacity) at a time into the Book Sale building. We will be cleaning extensively before we open each day and hand sanitizer stations will be located throughout the building.

If you have symptoms of COVID-19 or have been in contact with a COVID-19 case or suspected case, PLEASE DO NOT COME.

While standing in line to enter the building, please maintain 6mn feet of distance from the other folks in the line. We will have a webcam monitoring the line on the sidewalk. Check our Facebook page and come when the line is short.

As required by NYS law and our policy, all shoppers and volunteer helpers must wear face masks or a face shield and maintain proper social distance. All shoppers must stay at least 6 feet away from anyone not in your party, and there will be line markings on the floor throughout the building.

For those of you who cannot wear a mask or face shield for medical reasons, we offer a private shopper service with curbside pickup. Email your requests to [info@booksale.org](mailto:info@booksale.org). The subject line should read "Personal Shopper." We'll try, to the best of our ability, to accommodate your requests.

At checkout, we will ask you to organize your own items in the A/B/C categories so that we can do a visual count, without having to handle them.

Collector's Corner attendance will be limited to two shoppers at a time.
